

Zen User Guide

The User Guide provides a detailed look at how to view, create, and organize content using Zen Foundation.

If you're looking for advice on installing and configuring Zen Foundation, jump over to the [Zen Administration Guide](#).

Once you're up and running, the following sections will show you how to design great pages and add content:

- [Getting Started and Getting Around](#)
- [The Toolbar](#)
- [Adding and Editing Content](#)
- [Drafts and Publishing](#)
- [Configure Your Zen Settings](#)
- [Designing Spaces](#)
- [Designing Pages](#)
- [Social Collaboration](#)
- [Navigating with Zen](#)
- [Search Engine Optimization](#)
- [Macro Reference Guide](#)

check it out: [Zen Intranet](#)

New to Wikis?

If you're new to wikis, you might want to check out our [Wiki 101 Guide](#) for a fast jumpstart.
